

July 1, 2022:

Dear Resident of Society Place:

RE: Pool, Landscaping, Bike Racks:

Happy Fourth of July Weekend!!!! I hope you can make time to enjoy your beautiful pool this weekend.

For those that need a Reading Card for access, please come to the side pool entrance and our Recreation Manager will have one made for you. Please bring an ID and photo.

Fox Pool Company is our pool vendor this year and we are pleased to announce that they have our Lifeguards in place and maintaining the pools beautifully.

The Pool Hours are Sunday through Thursday

11:00 AM to 8 PM

Friday and Saturday including Holidays

11:00 AM to 9:00 PM

The Wading Pool hours are 11:00 AM to 5:00 PM

The Pool restrooms are available during pool hours.

Currently Pablo Lopez Lawn Services started trimming bushes in the beds and near your home sidewalk. This is a big project since it has been a few years with routine maintenance.

This trimming will be completed twice per season. Late Fall; depending on the weather is the second trim.

We are cutting the common area lawns, weather permitting on Thursdays with Rain Date of Fridays. The lawn cutting is left with a high blade due to areas showing stress until the fertilizers begins to work and allows the grass to grow healthy. With the weather now turning hot especially for the month of August, it is left to Pablo of his expertise and I will be informed of landscaping actions and requirements.

Bike Rakes and Your Bikes: Parents, please take the opportunity over this summer to see where your children bikes are parked. If they are not using them and left in the bike rake, please call the police department and ask where you can take them or if a representative will pick up a bike that could go towards a good cause if you are no longer using them.

Safe and a Healthy USA Holiday!!,

Regards,

Marsha Marasco
