TENNIS COURT KEY ACCESS SYSTEM

Please be advised that in 2026, access to the Newtown Grant Tennis Courts will now be via a key access control system (like the Outdoor Pool and Pickleball Court). If you already have an access card for the outdoor pool, no action is needed as key cards will be given access to the Tennis Courts. However, if you do not have a key card, you will need to obtain one from the Recreation Staff using the same verification process the association uses to issue Outdoor Pool key cards.

(All residents will need to confirm identification and residency. Ideally, a driver's license that has both your photo identification and listed address within Newtown Grant will be sufficient, however, if your license has a different listed address, then you will need to provide either your license change of address card or a copy of your utility bill. Please be advised that if you are a renter, you ***MUST FIRST*** provide an executed lease agreement in advance to rob.degeorge@fsresidential.com. Once receipt of your lease agreement has been confirmed and a renter's profile created, you then may proceed with confirming identification and residency.)

Please be advised that any resident who misuses the Tennis Courts or grants access to individuals or groups of individuals, who do not reside in Newtown Grant (unless they are a non-resident guest who is participating with you) will lose access privileges and may be subjected to a monetary association fine.

Key cards are issued with the Recreation Staff in the Recreation Managers Office (located on the 1st floor of the clubhouse) on Friday Nights from 4:00pm-8:00pm, Saturday and Sunday from 12:00pm-7:00pm.

THE 25 PHILLY SUBURBS WHERE YOUR HOUSING DOLLAR GOES THE FURTHEST

What communities in the wider region give homeowners the best bang for their buck?

A new analysis looks a wide range of factors.

Suburban areas across the greater Philadelphia metro region were compared in a recent analysis that compares affordability, livability, and housing stability.

Niche's new [2025 Best Suburbs to Buy a House](#) rankings take a data-driven look at home values, property taxes, school performance, and community safety.

The collar counties of southeastern Pennsylvania, including Montgomery, Chester, Bucks, and Delaware counties, dominated the rankings, although one suburb in New Jersey and one in Delaware cracked the top 25.

Niche said it compiles its grades using dozens of public datasets and millions of verified reviews from residents, students, and parents. The goal is to provide accurate, comparable, and credible insights into community livability and housing value.

MAILBOX MAINTENANCE

Inspect your mailbox every spring and fall season to ensure that it is in good condition. Remember that snow coming from a plow can be extremely heavy causing a mailbox in poor condition to come down.

Is your mailbox sturdy? Plastic mailboxes tend to become brittle with age. Make sure that the door on the mailbox is closed tightly, if the door is open or missing then the mailbox may "fold" on impact from the snow. Is the wooden post straight and in good condition? The township is not responsible

for a mailbox that is hit due to it leaning into the roadway. Be aware that an old rotted wooden post can easily break from the impact of snow.

Mailboxes (mainly pertain to single family homes in Newtown Grant) should be located so the face of the mailbox is 6-8 inches back from the edge of the roadway. This is according to USPS guidelines. Newtown Township Public Works suggests that you put them as far as 15 inches back from the road edge.

Did you know that Newtown Township is one of the few Townships that have a reimbursement policy for damaged mailboxes during snow plowing season. Please visit their website at newtownpa.gov for details and requirements regarding the policy.

NEWTOWN GRANT CLUBHOUSE TRASH ENCLOSURE AND ASSOCIATION PET WASTE TRASH CANS

Please be advised that the clubhouse trash cans, and the association wide pet waste trash cans are not to be used for the disposal of private household trash. Unfortunately, the association has seen an uptick in the amount of private household trash that are being disposed in these cans.

The pet waste trash cans are smaller gallon cans that are emptied twice a week and when someone disposes a bag(s) of household trash in these cans, these cans begin to overflow. Household trash that is generated is the responsibility of that individual household to dispose of with a privately selected trash hauler.

Moving forward, anyone caught illegally disposing household trash in either the clubhouse trash enclosure or the association wide pet waste trash cans will automatically be issued a violation fine of \$350.00

NEWTOWN GRANT SOLICITATION UPDATE

Please be advised that effective immediately, Newtown Township has updated there solicitation permits for businesses and associated representatives. Moving forward, any solicitor that has a permit from the township is **not permitted** to engage in any solicitation actions within any association or development where clear signage states "No Solicitating" such as Newtown Grant.

Newtown Township Police, would like to advise Newtown Grant residents that if at any point you encounter a solicitor representing a business, to please contact and report the encounter to **Bucks County Police Non-Emergency Line at 215-328-8524** for police response. Individuals caught soliciting with or without a permit may be subjected to up to a \$1,000.00 fine, and are subjected to having there solicitation permit revoked.

Please be advised that per Newtown Township Police, non-profit and political action groups are permitted by law to solicit by going door to door.

NEWTOWN GRANT MASTER BOARD SIGN POLICY AMENDMENT

Effective January 1st, 2026, Newtown Grant Homeowners Association Master Board has made the following amendment changes regarding the master boards policy pertaining to displaying of signs. Please be advised that each respective cluster within Newtown Grant has the ability either adopt the sign policy change or restrict all signs with the exception of either a "For Sale" or "For Rent" sign.

POOL SEASON IS AROUND THE CORNER!

The Newtown Grant Outdoor Pool will be opening on Memorial Day Weekend starting on Saturday, May 23rd (please see pool rules for posted hours of operation) and weekends thereafter. The full weekday opening starts on Thursday, June 18th. Last year key fobs (Fob) were issued to residents for scanning and access to the pool.

If you obtained a Fob in prior years, and do not have an outstanding balance on your homeowner association account, the Fob remains active so long as you continue to be a resident of Newtown Grant and do not have an outstanding balance. If you do have an outstanding balance, your Fob has been deactivated and will be reactivated once your account balance has been paid. Key Fobs of any former residents of Newtown Grant have also been deactivated.

If you do not have a Pool Fob you will need to obtain a Fob for access to the pool providing your homeowner account is in good standing with a zero balance and you can show proof of identification and residency within Newtown Grant. There is no cost for the initial Fob. Key Fob's can be obtained at the Recreation Manager's Office located on the 1st floor of the clubhouse on Fridays from 5:30-8:00pm, Saturdays from 12:00pm-8:00pm and Sundays from 12:00-7:00pm.

Additionally, if you were issued a Fob that you lost, a new Fob can be issued to you at a cost of \$10. Your old Fob will be deactivated.

Pool guidelines are published on the Newtown Grant website (www.newtowngrant.org). The guidelines and rules will be updated prior to pool opening to ensure their accordance with current CDC or Bucks County Department of Health requirements. You may contact Property Manager Rob DeGeorge (Rob.DeGeorge@fsresidential.com or 215-968-3789 x 2) or the Recreation Office (215-968-3789 x 1) with any questions.

HOME IMPROVEMENT PROJECTS

Many people take this time to get started on home improvement projects they've been contemplating. With that in mind, here is some information to help assure that your home improvement project runs smoothly...

- Don't forget to please check your clusters Environmental Review Board (ERB) Rules and Regulations first and to please submit ERB Request Forms to your designated cluster association property manager for such exterior structural work that requires it. Each cluster association owner can find their respective cluster ERB guidelines as well as contact information for their property manager on the Newtown Grant Website which is: <https://www.newtowngrant.org/>
- When choosing a contractor, make sure they are registered with the State of Pennsylvania, and they provide you with their HIC (Home Improvement Contractor) number. You can check to see if a contractor is registered by going on the following website: <http://hicsearch.attorneygeneral.gov>
- It's also a good idea to check with other agencies such as the Better Business Bureau and Department of Consumer Protection before choosing a contractor.
- Make sure all required approvals and permits have been secured before you or your contractor begins work. Information and forms can be found on Newtown Township's website www.newtownpa.gov or you can contact the Newtown Township Codes & Zoning Office for assistance. Don't forget, any exterior structural work that requires ERB submission can not start until you have received permission from your cluster association board and respective property manager.
- If your project requires digging, you or your contractor must contact PA One Call (www.pa1call.org or dial 8-1-1) at least 3 to 10 business days before you dig – IT'S THE LAW. PA One Call will contact the utility companies to mark their lines with paint, flags or stakes. It's important you see marked lines on your property before digging takes place so no accidents occur...keep in mind that careless digging could result in serious personal injury, environmental damage and costly delays.
- Finally, you should always make sure that all the proper inspections are completed including a final inspection before you pay your contractor the remaining balance due upon the job's completion. If you're unsure what inspections have been completed, you can contact the Newtown Township Codes & Zoning Office for this information at 215-968-2800 extension 242 or 265.

DRYER FIRES CAN BE EASILY PREVENTED

Doing laundry is probably part of your daily routine. But do you know how important taking care of your clothes dryer is to the safety of your home? Failure to clean dryers is the leading cause of home dryer fires. With a few simple tips, you can help prevent a clothes dryer fire.

- Ensure your dryer is installed and services by a professional.
- Make sure to use a lint filter every time.
- Clean the lint filter after each load of laundry.
- Remove lint that has collected around the drum.
- Rigid or flexible metal venting material should be used to sustain proper air flow and drying time.
- Ensure that the air exhaust pipe is not restricted and the outdoor vent flap will open when the dryer is operating.
- Clean lint out of the vent pipe at least once a year.
- Gas dryers should be inspected to make sure the gas line and connection are intact and free of leaks.
- Make sure the right plug and outlet are used and that the machine is connected properly.
- Turn the dryer off when you leave home or go to bed.

And Don't Forget:

- Dryers should be properly grounded.
- Check the outdoor vent flap to make sure it's not covered by snow.
- Keep the area around your dryer clear of things that can burn such as boxes, cleaning supplies and clothing.
- Clothes that come in contact with flammable substances like gasoline, paint thinner or similar solvents should be laid outside to dry, then washed and dried as usual.

ALL PETS (DOGS & CATS) MUST BE LEASHED AT ALL TIMES WHILE OFF OWNERS LANDS:

Per Newtown Grant:

Any person owning or having the care, custody or possession of a pet(s) shall maintain control of such pet(s) at all times. Control is maintained by confining the pet(s) within the premises of the person owning or having the care, custody or possession of the pet(s) by means of a secure collar and chain or other device to prevent straying (such as a physical fence or electric fence). Control is maintained while off the person's premises by means of a secure collar and a physical leash which shall be consistent with the Newtown Township ordinance. Any non-physical leash, such as an electric leash or other such control mechanism, does not meet the requirements of this section. Retractable leash mechanisms are allowed so long as their use is in compliance with the requirements of this section and the leash does not exceed twenty (20) feet

Additionally, per the State of Pennsylvania: "All dogs must be under control and not be allowed to run at large. Dogs are personal property, and owners responsible for damages caused by their dog."

<https://www.agriculture.pa.gov/Animals/DogLaw/pa-dog-laws/Pages/default.aspx>

Anyone observed of having their pet off leash-off their personal property will be subjected to a \$100.00 Newtown Grant Homeowners Association fine and a \$350.00 fine from the Township and State of Pennsylvania.

Dog Park at Core Creek Park:

For those owners/residents who are looking for an off-leash venue for their dog to run at large or roam around without a leash, Core Creek Park which part of the Bucks County Parks and Recreation department has a beautiful dog park. Amenities include benches, landscaped pathways, water fountain, restrooms, convenient parking, waste bags and waste stations. Core Creek Park is a short 10–15-minute drive from Newtown Grant.

Bucks County residents can register and purchase a key fob which will allow you access to the dog park from dawn and until dusk. Dogs must also have a valid Bucks County registration and be up to date with vaccinations.

For additional information regarding the Dog Park at Core Creek Park, please visit the following link: <https://www.buckscounty.gov/Facilities/Facility/Details/OffLeash-Dog-Park-47>

Newtown Grant Pet (Dog) Waste Policies:

Any person owning or having the care, custody, possession, or control of a dog(s) while off the person's premises shall have in their possession the equipment necessary to remove the dog's fecal matter and shall so remove such fecal matter deposited by their dog(s) before the owner leaves the immediate area where the fecal matter deposited. Pets shall NOT be walked between buildings (rear or side yards) except in case where the side yard is completely private. Pets may be walked in designated areas on the perimeter of the Community. Please dispose of pet waste in the designated trash cans on North/South Drive and Jonquil Drive or in your own garbage can only.

A violation of this Section shall be an infraction, the penalty for which shall be a fine of One Hundred Dollars (\$100.00), which shall be assessed for a first offense of a violation of this section and Fifty Dollars (\$50.00) for each occurrence thereafter. These fines will not be waived.

CHIMNEY SAFETY

There's nothing as serene as a warm, crackling fire on a cold, winter night. There's also nothing more dangerous if your chimney is damaged.

Broken or cracked chimneys can let heat, smoke and toxic gasses, such as carbon monoxide, into your home. Your home could even catch fire. Chimney damage is often obvious, but sometimes it can be hidden. Use the following checklist, provided by Ready Virginia!, to help ensure that you can enjoy your fireplace and avoid problems—or even a disaster:

- Check to see if bricks have fallen or the chimney is leaning.
- Look for shiny areas on your exterior metal chimney pipe. This could mean the chimney has shifted—during the recent East Coast earthquake, for instance.
- Look for cracks at joints where the chimney connects to the firebox, at the roofline and in the attic.
- Check for debris that may have fallen into the fireplace.
- Use a screwdriver to check the mortar between the bricks or stones. If it crumbles when you pick at it, the chimney may be a hazard and probably needs work.

When in doubt, consult a licensed engineer or contractor. For the name of an inspector, call your insurance or mortgage company. Remember, disasters can happen even in the best of homes. That's why every home should be equipped with carbon monoxide and smoke detectors. Here are a few tips:

- Install carbon monoxide and smoke detectors in sleeping areas and on every level of your home and away from air vents. Interconnected smoke alarms are best, because if one sounds, they all sound.
- Test smoke alarms monthly, and change alkaline batteries at least once a year. Use a familiar date, such as your birthday or when you change your clocks, as a reminder.
- Prepare and practice a fire escape route with everyone in your home, including children.

Benefits of Trees

Trees provide social, communal, environmental, and economic benefits.

Trees provide benefits that promote health, social well-being, and even help your home. Trees serve many purposes in your local community and throughout the entire world.

Social Benefits

- Trees provide beauty and help people feel serene, peaceful, restful and tranquil.
- Trees significantly reduce workplace stress and fatigue and decrease recovery time after medical procedures.
- Trees may help reduce criminal activity.

Economic Benefits

- Property values of landscaped homes are 5%– 20% higher than non-landscaped homes.
- Individual trees have value that is affected by size, condition, and function. In general, the larger the tree, the greater the value.
- Air conditioning costs are lower in a tree-shaded home; and heating costs are reduced when a home has a windbreak.
- Well-maintained trees can add value to a home.

Communal Benefits

- City trees often serve architectural and engineering functions by providing privacy, emphasizing views or obstructing objectionable views.
- Trees may reduce glare/reflection or direct pedestrian traffic.
- Trees may soften, complement, or enhance architecture.
- Trees bring natural elements and wildlife habitats into urban surroundings, all of which increase the quality of life for residents in the community.

Environmental Benefits

(See figure above)

- A: Leaves filter the air we breathe by removing dust and other particles; absorbing carbon dioxide and various air pollutants such as ozone, carbon monoxide and sulfur dioxide; and release oxygen.
- B: Deciduous shade trees cool homes in the summer and allow the winter sun to heat homes when they lose their leaves.
- C: Trees help cool the environment, working as a simple and effective way to reduce urban heat islands (pavement and buildings in commercial areas cause higher temperatures by absorbing the sun's heat).
- D: Trees can serve as a windbreak. The more compact the foliage on the group of trees the more effective the windbreak.
- E: Trees intercept water, store some of it and reduce stormwater runoff.

Trees Require an Investment

Trees provide numerous aesthetic and economic benefits, but can have costs. The costs associated with large tree removal and replanting with a smaller tree can be significant. In addition, the economic and environmental benefits produced by a young replacement tree are minimal when compared to those of a mature specimen.

Extending the functional lifespan of large, mature trees with routine maintenance can delay these expenses and maximize returns.

Selecting the right form (shape) to complement the desired function can significantly reduce maintenance costs and increase the tree's value in the landscape.

An informed home owner can be responsible for many tree maintenance practices. Corrective pruning and mulching gives young trees a good start. Shade trees, however, quickly grow to a size that may require the services of an arborist.

Your local garden center, university extension agent, community forester, or consulting arborist can answer questions about tree maintenance, suggest treatments, or recommend qualified arborists. ISA Certified Arborists® have the knowledge and equipment needed to prune, treat, fertilize, and otherwise maintain a large tree.

What Is a Certified Arborist?

ISA Certified Arborists are individuals who have proven a level of knowledge in the art and science of tree care through experience and by passing a comprehensive examination developed by some of the nation's leading experts on tree care. ISA Certified Arborists must also continue their education to maintain their certification. Therefore, they are more likely to be up to date on the latest techniques in arboriculture.

Finding an Arborist

Visit TreesAreGood.org for free tools:

- The "Find an Arborist" tool can help you locate an arborist in your area.
- The "Verify a Credential" tool enables you to confirm whether an arborist has an ISA credential.

Be an Informed Consumer

One of the best methods to use in choosing an arborist is to educate yourself about some of the basic principles of tree care. Visit TreesAreGood.org to read and download all brochures in this series.

Your health should feel the same way.

At **Transcend Fitness Club**, just minutes from Newtown Grant, we see so many residents trying to balance careers, kids' schedules, and everyday responsibilities. It's easy for your own fitness to fall to the bottom of the list. We are a family owned and operated business, we get it!

But here's the truth: taking care of yourself makes everything else easier.

When you build strength, you move better.

When you move consistently, you have more energy.

When you have energy, you show up better — at work, at home, and for your family.

You don't need extreme workouts.

You don't need to train every day.

You don't need to "start over."

You need a simple plan.

You need consistency.

You need a supportive environment.

Whether it's:

- Strength training to stay pain-free and prevent injury
- 1-on-1 personal training with professional staff
- Sports performance and introduction to strength training for your kids
- Small group sessions with neighbors
- Or just a structured routine that keeps you accountable

The goal isn't perfection — it's progress.

Newtown Grant is full of families who value community. Your fitness journey should feel the same way — supportive, welcoming, and sustainable.

If you've been thinking about getting back into a routine, this is your sign.

Let's build a healthier Newtown Grant — together.

NEWTOWN GRANT RANKED 20TH AS MOST EXPENSIVE NEIGHBORHOODS FOR HOUSING IN PENNSYLVANIA

Pennsylvania’s real estate market reveals fascinating investment patterns that defy conventional wisdom. Per Home Stratosphere, after analyzing 15 years of data via Zillow across thousands of neighborhoods shows not just where wealth concentrates, but how dramatically fortunes have shifted since the 2010 housing recovery.

Newtown Grant was ranked 20th on the top 25 elite neighborhoods that represent Pennsylvania’s financial upper echelon, but their growth trajectories vary dramatically. Philadelphia’s established luxury enclaves show steady single-digit appreciation while emerging submarkets in Bucks County deliver returns exceeding 45% in just five years, suggesting continued upside despite reaching unprecedented price points.

20. Newtown Grant

Newtown Grant represents a textbook case of post-pandemic real estate acceleration, with values skyrocketing 51.8% in just five years to reach \$531,110 from a pre-pandemic level of \$349,780. What’s particularly striking is the consistency of long-term growth – almost identical 75% appreciation rates over both 10 and 15-year periods, suggesting strong underlying market fundamentals. Situated in Bucks County’s prestigious Newtown area, this planned community combines architectural uniformity with excellent school districts, creating sustained demand that continues to drive its impressive price appreciation curve upward.

2025 Home Value: \$531,110
2020 Home Value: \$349,780
2015 Home Value: \$302,399
2010 Home Value: \$302,555
% Change (2010–2025): 75.5%

PICKLEBALL COURT KEY ACCESS AND COURT RESERVATION SYSTEM

Please be advised the Newtown Grant Pickleball Court key access control system and court reservation system is officially online. Newtown Grant Residents who wish to utilize the courts will first need to reserve a court and associated court time via <https://www.newtowngrant.org/pickleball>. Court reservations are limited to one resident per day with a maximum time allocation of 90 minutes. Residents may reserve any of the three (3) courts at least 48 hours in advance and please keep your court reservation available electronically in the event of any issues.

Additionally, in an effort to eliminate usage of the courts from outside groups, access to the Pickleball Courts will be granted only with an access control key card (similar to the outdoor pool). If you already have an access key card for the outdoor pool, no action is needed as the key cards will be given access to the Pickleball Courts. However, if you do not have a key card, you will need to obtain one from the Recreation Staff using the same verification process the association uses to issue pool key cards.

(All residents will need to confirm identification and residency. Ideally, a driver's license that has both your photo identification and listed address within Newtown Grant will be sufficient, however, if your license has a different listed address, then you will need to provide either your license change of address card or a copy of your utility bill. Please be advised that if you are a renter, you ***MUST FIRST*** provide an executed lease agreement in advance to rob.degeorge@fsresidential.com. Once receipt of your lease agreement has been confirmed and a renters profile created, you then may proceed with confirming identification and residency.)

Please be advised that any resident who misuses the Pickleball Courts or grants access to individuals or groups of individuals, who do not reside in Newtown Grant (unless they are a non-resident guest who is participating with you) will lose access privileges and may be subjected to a monetary association fine.

Key cards are issued with the Recreation Staff in the Recreation Managers Office (located on the 1st floor of the clubhouse) on Friday Nights from 4:00pm-8:00pm, Saturday and Sunday from 12:00pm-7:00pm.

BUS SAFETY FOR DRIVERS

With school in session, Newtown Township Police Department urges you to use caution when driving. If you are driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children. Please note that the following are reminders and NOT suggestions.

- Never pass a bus if it is stopped to load or unload children
- If the red lights are flashing and the stop arm is extended, traffic must stop
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus – Pennsylvania law requires at least 10 feet
- You must wait until the red lights have stopped flashing and the stop arm has been withdrawn before moving
- Do not move until all the children have reached a place of safety
- Be alert and slow down; children can be unpredictable If convicted, violators of Pennsylvania's School Bus Stopping Law will receive a 60 day driver's license suspension, five points on driving record, and a \$250 fine.

DON'T BE A VICTIM, LOCK YOUR CAR!

Often thefts occur overnight from unlocked vehicles. It can happen in commercial parking lots and residential neighborhoods as well.

Offenders look for items that are easily carried and resold. GPS units, cell phones, briefcases, purses, sunglasses, and laptop computers are frequently objects of interest to criminals. Keep in mind that these things are not difficult to pawn or sell. We urge you to do these simple things that can drastically reduce your chances of becoming a victim:

Don't leave valuables in plain sight in your vehicle. Better yet, don't even leave them in the car. Make sure all of the car's windows are shut. Lock your vehicle, even if it is parked in your own driveway. Lastly, remember to take your keys with you. If you leave your keys in the car, anyone can drive it away.
